Brand New Book ***** Print on Demand *****.Green Thumbs for Kids is written in a simple style as a family project. Mom and Dad teach their children Rafi and Kenya how to grow flowers and vegetables. They show the kids step by step how to prepare, plant, and landscape a flower and vegetable garden. Dad and Mom test Rafi and Kenya understanding of gardening by preparing gardening activities for the kids to complete. The kids can use the activities until they are familiar with the subject matter. Dad and Mom provide the answers to all of the activities so the kids can feel free to learn the correct answers. Their objective is for Rafi and Kenya to learn the art of gardening and feel relax as they complete their gardening projects. Lastly, the book teaches the kids responsibility, team work, discipline, and the art of growing.
