By Anne Graham-Biehl

Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, The Mists of Afar, Anne Graham-Biehl, We give you the sequel to Lavender Village as promised. The Mists of Afar contains a surprise twist - it follows the turbulent journey of Felania, formerly the Mistress-of-the-Keys in The Kingdom of Beyond. Those of you who have read Lavender Village will remember it well. Felania is at present befallen and bereft: she has been expelled from the glorious realm she called home for many a year. Tricks played on others have finally come back to strike her down, and she is faced with the prospects of an unfamiliar life on the breathtaking isle of Skye in the misty Hebrides. Sulking over her sorry lot, anger and bitter resentment spew forth toward all she meets. The result is a series of comical altercations between her and the faery township of Crofton. And what about that secret she feels bound to lock away? Felania may frustrate, but she will always entertain. And you will meet many a delightful faery along her path. Do read on!
