Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The awe-inspiring Common Loon with its haunting primitive call echoing across the water, reminds us of the inner knowledge that we are close to and part of the earth. Although chicks leave the nest almost immediately and are able to swim, they are dependent on the adults to be fed and protected until they learn to fish and to be on their own. After its flight south for the winter, in the following spring, the bird that began life as a fluffy chick bobbing on the water returns to the northern lakes as an elegant adult to once more use its innate abilities and claim its place on the lake and in our hearts, as the spirit of the north. As the reader goes through each experience with the chick, one will be led on the path to awareness, and developing and strengthening one's own natural intuitive power and confidence in new and challenging situations. Through the Little Loon's trust of inner feelings and direct knowing, the reader sees how they too can access and benefit from this source of information at every step. Little Loon on the Lake is for ages 4 and up and follows the life of a loon chick from birth to its flight as it migrates south. The reader witnesses the delights and dangers experienced by the chick as it learns from its parents - good habits, strengths, diet, who their enemies are, and coping skills - all methods to survive and thrive through outer and inner guidance. This story also assures children, through the loon's experiences, that all is right within our world. There...
