The staff there was extremely gracious in explaining their work and sharing their excitement for discovery. I believe the Smithsonian has resources and insights unlike any other organization. It has subject matter experts who are also com-mitted to public service. Hearing from the worlds largest museum and research complex seems wise as we determine how to manage our diverse federal efforts in science education and research. I look forward to hearing about this topic from our witnesses today. With that I yield back. The prepared statement of Mr. Ehlers follows: REPARED TATEMENT OF EPRESENTATIVE ERNON HLERS P S R V J. E Thank you, Chairman Lipinski. I am pleased that the Committee is holding this important hearing today. The Smithsonian has a unique role in science and education. When I served on the Committee on House Administration, my colleagues and I were...
