Parenting Press Incorporated, United States, 1992. Paperback. Book Condition: New. Jean Whitney (illustrator). 214 x 149 mm. Language: English . Brand New Book. Too often kids feelings get ignored. This series helps children and adults accept and acknowledge their emotions. It also helps them distinguish between feelings and actions. Even more important, the stories give kids several ways to cope with feelings. They also allow parents and teachers to discuss other situations in a nonjudgmental way. Many of the other books in this series deal with strong negative emotions. I m Proud demonstrates the importance of positive emotions like pride. It also reminds us how much children want their small accomplishments recognized.
