

Minnesota s State Capitol: The Art and Politics of a Public Building (Paperback)

By Neil B. Thompson

Minnesota Historical Society Press,U.S., United States, 2005. Paperback. Book Condition: New. 252 x 174 mm. Language: English . Brand New Book. Minnesota s State Capitol: The Art and Politics of a Public Building tells the story of how private citizens, professional tradesmen, and public officials formed a coalition that got Minnesota s statehouse designed and built. Drawing on extensive research, Neil B. Thompson relates how several governors, a decade of hard work, and four million dollars contributed toward creating this magnificent testament to the sovereignty of the state, opened to the public for the first time in January 1905. This new edition is being published for the Capitol centennial celebration in 2005. As Thompson observes, the lavishly decorated capitol, designed by emerging young architect Cass Gilbert of St. Paul, is a gigantic Renaissance palace, erected with superb materials and expert workmanship, as well as a monument in marble to a moment in Minnesota s history when many residents felt that the frontier was passing away and they stood on the brink of a new age of urbanization and the modern era. With its huge dome (modeled after the one designed by Michelangelo for St. Peter s Cathedral in Rome), the...
