Filesize: 7.22 MB

Reviews

The most effective pdf i ever read. it absolutely was writtern extremely flawlessly and useful. I am very easily will get a pleasure of reading through a published book.

(Prof. Vidal Ledner)

HOT LEMON AND HONEY: REFLECTIONS FOR SUCCESS IN TIMES OF CHANGE (PAPERBACK)

Everest Press, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Information in this book can lead you on the road to success. So commented the late Sir Edmund Hillary, first man to conquer Everest: This book is for you if: -You want to reach your personal summit of success; however you define it in your own heart -You sometimes make mountains out of molehills -You want better balance between your professional and personal life -You need a boost of common sense, perspective and inspiration in times of change Catherine DeVrye has written another best-seller that offers encouragement to everyone in the workplace today. The easy to read format contains powerful quotes that have been expanded into stories of 52 punchy chapters; with a motivational message for every week of the year. It s a book you can dip into for a short time to gain long-term benefits and inspiration for both your organization and yourself. Written for today s busy person, it contains timeless words of wisdom in a contemporary context. Originally released by Allen Unwin, Australia s largest independent publisher and translated into numerous languages, the collection of modern day business philosophy will inspire the reader with ideas to impact and improve their professional and personal lives; ideas which touch the heart and the head; ideas which will help you make your life worth living as your living is being made. New York Times best-selling author of Chicken Soup for the Soul , Jack Canfield, says: Full of inspiration, valuable insights and useful information-vitamins for my mind and soul.everyone will benefit from a daily dose. SAMPLE CHAPTER HEADINGS -Change our ways of thinking and think of ways of changing -Minds are like parachutes-dangerous if not...
