

Bold: How to Go Big, Create Wealth and Impact the World

By Peter H. Diamandis, Steven Kotler

Paperback. Book Condition: New. Not Signed; From the co-authors of the bestseller *Abundance* comes their much anticipated follow-up: *Bold*—a radical, how-to guide for using exponential technologies, moonshot thinking, and crowd-powered tools to create extraordinary wealth while also positively impacting the lives of billions. *Bold* unfolds in three parts. Part One focuses on the exponential technologies that are disrupting today's Fortune 500 companies and enabling upstart entrepreneurs to go from idea to successful company faster than ever before. The authors provide exceptional insight into the power of 3D printing, artificial intelligence, robotics, networks and sensors, and synthetic biology. Part Two draws on insights from billionaire entrepreneurs Larry Page, Elon Musk, Richard Branson, and Jeff Bezos. In addition, Diamandis reveals his entrepreneurial secrets garnered from building fifteen companies, including such audacious ventures as Singularity University, XPRIZE, Planetary Resources, and Human Longevity, Inc. Finally, *Bold* closes with a look at the best practices to leverage today's hyper-connected crowd like never before. Here, the authors teach how to design and use incentive competitions, launch crowdfunding campaigns to tap into capital, and finally how to build communities—armies of exponentially enabled individuals willing and able to help today's entrepreneurs make their boldest dreams come true. *Bold*...
