THE STORY OF APPLE

Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. Apple, the company that created a market by inventing iPod, iPad, and iPhone among several other technological miracles, started only as a project shared by two determined boys in their computer club! When Steve Wozniak designed a computer in 1976, his friend Steve Jobs instantly knew its potential and saw its success in a mass market. And when they found their first customer at their local hobby club meeting, the Apple...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
