Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How many verses are there in the Bible? each Book? each chapter? Are any verses repetition of others? Is God s Word a bunch of stories piled in one huge Book with no organization or common theme? In The Hand Of The Lord Feeds Us, 3:16 Verses, God says something different but interestingly the same in each 3:16 verse of the Old and New Testaments. In each Scripture verse the same theme is repeated but applied to the topic of the Book or the author s intent; it s all important and pertinent for its own situation and circumstance. In this ShortCut Book you will find how these verses tie together. You will feel how the hand of the Lord feeds us. You will acquire a unique understanding of each Book. You will know it s purpose. Look at the lilies of the field, your Father in heaven knows you need these things . He will feed you with each unique 3:16 verse and it s amazing, uplifting, correcting, and saving words of spiritual food. The Bible is God s Word, therefore it is perfect. There are many patterns and similarities in the verse numbering and structure. Wendy shows how all the 3:16 verses are related. She lists out memorization aids for Scripture research. Read inside to find out how God has His Word in perfect order and organization.
