Reviews

A superior quality book and also the font employed was fascinating to learn. I could possibly comprehend almost everything using this created e publication. You wont sense monotony at at any time of your respective time (that's what catalogs are for about should you ask me).

(Lucile Morissette)

THE AGE OF ABSURDITY: WHY MODERN LIFE MAKES IT HARD TO BE HAPPY

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, The Age of Absurdity: Why Modern Life Makes it Hard to be Happy, Michael Foley, The good news is that the great thinkers from history have proposed the same strategies for happiness and fulfilment. The bad news is that these turn out to be the very things most discouraged by contemporary culture. This knotty dilemma is the subject of TheAge ofAbsurdity- a wry and accessible investigation into how the desirable states of wellbeing and satisfaction are constantly undermined by modern life. Michael Foley examines the elusive condition of happiness common to philosophy, spiritual teachings and contemporary psychology, then shows how these are becoming increasingly difficult to apply in a world of high expectations. The common challenges of earning a living, maintaining a relationship and ageing are becoming battlegrounds of existential angst and self-loathing in a culture that demands conspicuous consumption, high-octane partnerships and perpetual youth. In conclusion, rather than denouncing and rejecting the age, Foley presents an entertaining strategy of not just accepting but embracing today's world - finding happiness in its absurdity.
