Filesize: 6.22 MB

### ***Reviews***

*This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Ms. Ora Buckridge)*

## ANIMAL SANCTUARY

Starcherone Books. Paperback. Book Condition: New. Paperback. 200 pages. Dimensions: 8.4in. x 5.5in. x 0.7in. Booklist review: In a stealthily affecting reportorial voice, debut novelist Falkner tells the story of tepidly successful 1960s movie actress Kitty Dawson via interviews, critiques, press coverage, and plot summaries of her movies (one involves packs of rampaging dogs, another giant mutant rabbits). Kittys intensifying affinity for animals inspires her and her husband to open a California sanctuary for abused and neglected exotic big cats. Were also granted glimpses into the lives of Kittys body double, a college student searching for a missing friend while on location in Africa; director Albert Wickwood, a clever and cutting variation of Alfred Hitchcock; and Kittys son, Rory, a spiritually oriented performance artist. Other pieces in this brilliantly analytical, ironically funny, and tenderly empathic scrapbook novel illuminate curious parallels between hunting and filmmaking, the ethics of nature documentaries, the suffering of lab animals, discrimination against immigrants, the commercialization of art, and how movies function in place of fairy tales and myths to shape what you fear and hope for. Stylistically fresh, culturally lush, intellectually exciting, and elegantly emotional, Falkners provocative, surreptitiously beautiful novel dissolves the boundaries between animals and humankind, racial and ethnic groups, and men and women and reminds us that we can all give and receive and be sanctuary. -- Donna Seaman from Fiction Writers Review: What exactly is innovative fiction Sarah Falkner answers this question with a wickedly deft disregard of the rules of craft and narrative structure followed by most works of contemporary fiction. Animal Sanctuary. . . is a profound and meticulously constructed story about the lives of artists who are both nurtured and devoured by their art forms. . . . In Animal Sanctuary, art demands blood sacrifice, and injustice comes dressed in the...
