Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Italian Chronicles of a Rogue Tourist, Volume I: Discovering Calitri, is a collection of travel essays written during the years 2006 through 2008. This first volume recounts the initial adventures of an American couple who purchase a home in the southern Italian town of Calitri. Lofty, medieval Calitri cascades down the side of a bluff, halfway between Naples, on Italy's left coast, and Bari to the right. On the day of their arrival in the medieval Borgo, a curious town official approached them and asked, Why you come here? The answer to that question resides in the fact that Calitri is the real face of Italy, as yet untouched by tourism. It is a place punctuated by genuine friendships, a Mediterranean lifestyle of slow food and slow living, and the eye contact of a sincere buongiorno in the morning and buonasera during a twilight stroll. The roots of Calitri are apparent in its medieval village. Its cobbled hallway-like streets, once restricted to the passage of pedestrians, horses and pack animals of old, today remain too...
