At the first streak of dawn, a horseman came riding across the flat Zam puszta, which lies on the far side of the Hortobagy River (taking Debreczin as the center of the world). Whence did he come? Whither was he going? Impossible to guess. The puszta has no pathway, grass grows over hoof-print and cart track. Up to the endless horizon there is nothing but grass, not a tree, a well pole, or a hut to break the majestic green plain. The horse went its way instinctively. Its rider dozing, nodded in the saddle, first on one side, then the other, but never let slip his foot from the stirrup.

Reviews

An extremely wonderful pdf with perfect and lucid information. Better than never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.
