UNCANNY TALES (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.We never thought of Finster St. Mabyne being haunted. We really never did. This may seem strange, but it is absolutely true. It was such an extremely interesting and curious place in many ways that it required nothing extraneous to add to its attractions. Perhaps this was the reason. Nowadays, immediately that you hear of a house being very old, the next remark is sure to be I hope it is -or is not - that depends on the taste of the speaker- haunted. But Finster was more than very old; it was ancient and, in a modest way, historical. I will not take up time by relating its history, however, or by referring my readers to the chronicles in which mention of it may be found. Nor shall I yield to the temptation of describing the room in which a certain royalty spent one night, if not two or three nights, four centuries ago, or the tower, now in ruins, where an even more renowned personage was imprisoned for several months. All these facts-or legends-have nothing to do with what I have to tell. Nor, strictly speaking, has Finster itself, except as a sort of prologue to my narrative.
