

## Basic Japanese: Learn to Speak Everyday Japanese in 10 Carefully Structured Lessons (Paperback)

By Samuel E. Martin

Tuttle Shokai Inc, Japan, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Basic Japanese takes a friendly and innovative approach to beginner Japanese, emphasizing the structure of the Japanese language rather than just vocabulary. This method was pioneered by the author, Samuel E. Martin. Once considered controversial, modern linguists now agree that the structural based approach for leaning a language allows for more effective retention than the traditional repetition-based approach. It is especially effective for self study and first time learners as well as in a classroom setting. The MP3 Audio CD helps to reinforce pronunciation and build listening comprehension. Each lesson is set up to ease learners into not just understanding new material but mastering it, using a four-step method: Step 1: Basic Sentences: Each lesson begins with the key to quick mastery of spoken Japanese learning and understanding new sentence patterns. Vocabulary is learned in context. A Basic Vocabulary section lists only essential words and phrases that are relevant to the theme of the lesson. Step 2: Structure Notes: Next the learner is guided through complete, in-depth explanations of the sentences grammar essentials, to aid in mastering the sentence patterns. Step...
