He is also the World s Greatest Teacher! As he began his quest to become the ultimate educator The young Onizuka discovers two principles of teaching - a social conscience and a sense of morality. After a tiring and eventful school year Onizuka takes a break from the classroom and for his school break he decides escape the pressures of work by heading back home to the lazy surfers village of Shonan. Back in his hometown, he runs into friend of his significant other who runs an orphanage called the White Swan Youth Home.
