Late one night it comes in the form of a man named Adam who is not a man. A clone of a long forgotten billionaire with severe delusions of grandeur, James Fielding. A man who arrogantly believed his mission was to find God and bring him back to Earth in the Genesis, a space ship of his own design. Over a hundred years after he blasted off into space in search of God, The Genesis, something has come back. A mind-warped computer and an android suffering from Pinocchio syndrome had brought back the devil himself from deep space. The reentry of the Genesis has destroyed all electronics and left the entire world in darkness and despair. This places the entire Earth in a new dark age at the height of the electronic age. Now Adam has come to claim his place among man and rule. Adam wants what he cannot have; to be God and to have a new race of man. In a time a time of comfort stolen in the night, only the strong survive. The people of the Stronghold are the strong; strong in numbers, strong in heart and strong in faith of the real God. Only this strength will keep them alive and mankind. Some travel from no faith to extreme and others learn to embrace their faith and shower it with hope. This story is of their journey of faith and survival.
