About the book A Course in Miracles for Dummies The text of A Course in Miracles (ACIM) is difficult and mystifying for most readers. Both teachers and students struggle for many years with little success in unlocking the secrets to understanding this Course. They often abandon their studies and end up confused and discouraged. This ACIM for Dummies series cuts through the mystery of the Course's esoteric text and makes Jesus' message alive and accessible to the ordinary reader. The richness and simplicity of ACIM's message of freedom, joy and unconditional love awaits anyone who is willing to see things differently. The Course states that Perception is a mirror, not a fact. Once decoded, it provides the formula that transforms and empowers the reader so that they are both free and capable of seeing things differently. You can exchange your fear-based thought system for the peace of God. Happiness is only a choice away and you can make that choice today. This is your time to shine. ACIM uses a unique terminology that references two different levels of being that are dominated by two opposing thought systems. This book demystifies the text by replacing the pronouns and unclear references with their meanings and clarifies the appropriate level associated with each passage. All antecedent references made to ACIM's second edition are clearly noted in bold print for easy reference to the original text. Each text paragraph is then followed by an explanatory note to assist the reader in their own interpretation of the paragraph. These notes are designed to foster discussion and clarity, not to limit ideas and prevent individual interpretation. As such, ACIM for Dummies can be utilized...
