Government Accountability Office, 2006 OCLC Number: (OCoLC)77078507 Subject: Mortgage loans -- United States. Excerpt: . . . mortgage activities. Other common requirements for licensees may include maintaining records for certain periods, individual prelicensure testing, posting surety bonds, and participating in continuing education activities. States may also examine independent lenders and mortgage brokers to ensure compliance with licensing requirements, review their lending and brokerage functions for state-specific and federal regulatory compliance, and look for unfair or unethical business practices. When such practices arise, or are brought to states attention through consumer complaints, regulators and State Attorneys General may pursue actions that include licensure suspension or revocation, monetary fines, and lawsuits. The volume of interest-only and payment-option ARMs grew rapidly AMP Lending Rapidly between 2003 and 2005 as home prices increased nationwide and lenders Grew as Borrowers marketed these products as an alternative to conventional mortgage products. During this period, AMP lending was concentrated in the higher-Sought Mortgage priced real estate markets on the East and West Coasts. Also at that time, a Products That variety of federally and state-regulated lenders participated in the AMP market, although a few large federally regulated dominated lending. Once Increased considered a financial management tool for wealthier borrowers, lenders Affordability have marketed AMPs as affordability products that enable borrowers to purchase homes they might not be able to afford using conventional fixed-rate mortgages. Furthermore, lenders have increased the variety of AMP products offered to respond to changing market conditions. As home prices increased nationally and lenders offered alternatives to AMP Share of Mortgage conventional mortgages, AMP originations tripled in recent years, growing . . .
