Yet, he swore his protection over her and he seems to be in need of a doctor. When he discovers her strange ability to summon violent weather, the bargain seems like an easy one. He offers to help her learn to control her new ability in exchange for saving his brother s life. He might even get her as a new weapon against the Soul Eaters. He is about to get much more than he bargained for, and it is a good thing too as the demonic activity going on topside is at an all-time high. He will need Hailey s abilities in the coming fight, but his desire for her might drive away the only chance at preventing the oncoming storm.
