He had absolutely no interest in life because he had just recovered from an accident which left him immobile. His uncle who was a very sensible sort of adult decided that his nephew could only get an interest in life if he began to make friends with his feathered friends outside his window and that could only be done when he made a feeding house for the birds on the windowsill outside Robin s bedroom. The feeding house in the winter and the birdbath in the summer - can you imagine something giving more pleasure and adding a sense of activity to an otherwise quiet scene? The moment we are going to...
