Brand New Book ***** Print on Demand *****.When her parents died, Molly McGregor did what she needed to survive in New York City all alone. She took a job for a well respected banker, but made a discovery that put her life in danger. Now in 1882 she is fleeing New York for the western frontier, Molly makes the desperate decision to become a mail order bride in Tombstone, Arizona Territory. She doesn't hope for much, just that her new husband will be strong enough to protect her from the danger she fears will follow. When his heart becomes entangled with his best friend's new wife, he decides drastic action is required and contracts a mail order bride.
