

## First Jobs

By Merritt Watts, Hanya Yanagihara

Picador USA. Paperback. Book Condition: new. BRAND NEW, First Jobs, Merritt Watts, Hanya Yanagihara, A future mayor shining shoes, an atheist shilling Bible, a housewife heading to work during World War II, a now-famous designer getting fired - we all got our start somewhere. A first job may not have the romance of the first kiss or the excitement of a first car, but more than anything else, it offers a taste of true independence and a preview of what the world has in store for us. In The First Job, reporter Merritt Watts collects real stories of these early forays into the workforce from a range of eras and industries, and a diversity of backgrounds. For some, a first job is a warm welcome to the working world. For others, it's a rude awakening, but as these stories show, it's an influential, entertaining experience that should not be underestimated. This book transforms what we might think of as a single, unassuming line at the bottom of a resume into a collection of absorbing tales and hard-earned wisdom to which we can all, for better or worse, relate. Perfect graduation gift; Picador True Tales is a new series of books...
