Comedy (Classic Reprint) (Paperback)

By John Palmer

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Comedy The curse of Babel only fell among men when they learned to laugh. Laughter is the real frontier between races and kinds of people. We are agreed, the world over, as to what precisely is grievous. Babel has made little difference between the weeping of an Englishman (he weeps more commonly than is reputed) and the weeping of a Patagonian. Laughter is another matter. A joke sets all nations by the ears. We laugh in different languages. The Frenchman violently explodes into laughter at something which leaves the Prussian cold as a stone. An Englishman sees very little fun in Alceste. A Frenchman sees in Falstaff no more than a needlessly fat man. Try to be funny in a foreign land, and you will probably only succeed in insulting or disgusting or annoying or shocking somebody. A joke cannot be translated or interpreted. A man is born to see a particular sort of joke; or he is not. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more...
