Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This publication, Army Techniques Publication ATP 1-20 Military History Operations Change 1 August 2015, is the first historical ATP released under Doctrine 2015. It replaces FM 1-20. ATP 1-20 makes numerous changes from the now obsolete FM 1-20. ATP 1-20 includes a discussion of how the Army organizes for field history operations to ensure that Army operations are captured for the historical record. The most significant change is the introduction to the various types of military history detachment (MHD) organizations and doctrinal missions. ATP 1-20 also delineates the principles field historians follow to execute their duties. Chapter 2 discusses the integral role of military history, and provides guiding principles for field historians to follow when performing their duties and responsibilities. Chapter 3 discusses how the Army organizes field history operations and the duties and responsibilities of historians at each level in the chain of command. It outlines other organizations within the Army and the joint force that contribute to Army field history operations. Chapter 4 outlines MHD historical development, discusses how an MHD is organized, and discusses how MHDs are employed during combat and contingency operations. Chapter 5 discusses the sources and types of historical materials collected by field historians with emphasis on documents, oral interviews, and artifacts. It also provides guidance on historical reporting, both formal and informal, at the various levels of the chain...
