## CHILDHOOD REVISITED (PAPERBACK)

Tate Publishing Enterprises, United States, 2010. Paperback. Book Condition: New. 206 x 132 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Life seemed simpler when Robert was a boy. It was the fifties, long before the technological inventions that dominate modern children s attention. At that time there was no such thing as ipods, computers, TV, and video games. Instead children played outside, exploring nature and using their imaginations to create games and adventures of their own. A first bike meant freedom. The nearby creek held the lure of swimming on a hot summer day. Friends were plentiful, family was important, and church on Sundays was a staple. For Robert, at least, it was the good life. Journey back in time with author Robert J. Meeks Sr. as he recollects what it was like to live back in the good old days, sharing these memories in Childhood Revisited. Experience what it was like in a time more free and innocent. Life may not have been perfect back then, but through one boy s eyes, it sure seemed close. Readers young and old will enjoy taking a stroll down memory lane in Childhood Revisited, discovering the stark differences that fifty years can make in daily living.
